6.01051.600	Metrosep C 6 Guard/2.0 The Metrosep C 6 Guard/2.0 contains the C 6 column material and is used to protect against particles and contamination. This considerably lengthens the service life of the analytical separation column. The Metrosep C 6 Guard/2.0 works according to the "On Column Guard System" and is screwed directly onto the respective separation column with virtually no dead volume.
