

NIRS XDS Process Analyzer – SingleFiber 4 Channels

2.928.0220

オプションアクセサリ

Order no.	説明
6.7440.170	NIRS SingleFiber optical fiber, 2 m

One-channel optical fiber in 2 m length for NIRS Process Analyzers

6.7450.090 NIRS 99% reflection and wavelength standard for process instrument, 1 inch diameter, 45° bevel

NIRS 99% reflection and wavelength standard for process instrument with 1 inch diameter and 45° angle

6.7450.080 NIRS 99% reflection and wavelength standard for process instrument, 0.5 inch probe diameter

6.7440.480 NIRS Process, I/O Communication box

I/O Communication box for process instruments with 24 analog and 24 digital channels

6.7450.070 NIRS 99% reflection and wavelength standard process, 1 inch diameter
